The first step in your ESO journey is character creation. You can choose from various races and classes, each offering unique abilities and playstyles.

- Races: Each race has its own strengths and weaknesses, impacting your character's performance.
- Classes: Choose from options like Dragonknight, Sorcerer, Nightblade, Templar, and more, each with distinct skill lines.

Skills are divided into three main categories:

- Class Skills: Unique to your chosen class and provide powerful abilities.
