- Measurable: Determine how you will measure your progress.
- Achievable: Set realistic goals that you can attain.
- Relevant: Ensure your goals align with your overall values and life direction.

three months."

Creating an Action Plan

Once you have clarity on your goals, create an action plan that includes:

- Steps to Achieve Goals: Break down each goal into smaller, manageable tasks.

- Timeline: Establish a timeline for completing each task.
- Potential Obstacles: Anticipate challenges and plan how to overcome them.

Regular Review and Adjustment

Establish a routine for reviewing your goals and progress. This could be weekly, monthly, or quarterly. Ask yourself:
