This article delves into the essence of the Narnia series, its significance for families, and how Focus on the Family has contributed to delivering these enchanting stories to new generations.

The Chronicles of Narnia: An Overview

The Chronicles of Narnia is a series of seven fantasy novels written by C.S. Lewis, first published between 1950 and 1956. The books are set in the fictional world of Narnia, a place filled with talking animals, mythical creatures, and profound moral lessons. The series is not only a captivating adventure but also rich in allegorical themes that explore the essence of good versus evil, sacrifice, and the nature of faith.
