Overview of Genesis

The Book of Genesis is the first book of the Bible and is traditionally attributed to Moses. It is part of the Pentateuch, which encompasses the first five books of the Old Testament. Genesis sets the stage for the entire biblical narrative, introducing key concepts about creation, humanity, sin, and God's covenant with His people.

 - The story of Adam and Eve (Genesis 2-3)
 - Cain and Abel (Genesis 4)
 - The Flood and Noah's Ark (Genesis 6-9)
 - The Tower of Babel (Genesis 11)

2. Patriarchal History (Chapters 12-50):

- This section focuses on the patriarchs of Israel: Abraham, Isaac, Jacob, and Joseph. It outlines God's covenant promises and the development of the nation of Israel. Key narratives include:
 - The call of Abram (Genesis 12)
 - The covenant with Abraham (Genesis 15)

Covenant and Promise

Covenants are central to the narrative of Genesis, marking significant moments in God's relationship with humanity.

- The Abrahamic Covenant: God promises Abraham land, descendants, and blessing (Genesis 12:1-3, 15).
- The Sign of Circumcision: This physical sign of the covenant emphasizes the commitment between God and Abraham's lineage (Genesis 17).
