This article will guide you through the intricacies of making lobster ravioli from scratch, providing tips and techniques that will impress your family and friends.

Ingredients

To create an authentic Gordon Ramsay lobster ravioli, it's essential to gather high-quality ingredients. Here's what you will need:

For the Fresh Pasta Dough

- 2 cups all-purpose flour (plus extra for dusting)
- 3 large eggs
- 1 tablespoon olive oil
- A pinch of salt

For the Lobster Filling

- 1 medium lobster (approximately 1 pound)
- ½ cup ricotta cheese
- 2 tablespoons finely chopped chives
- 2 tablespoons finely chopped parsley
- Zest of 1 lemon
- Salt and pepper to taste

For the Sauce

- 4 tablespoons unsalted butter
- 1 clove garlic, minced
- ½ cup heavy cream
- ¼ cup grated Parmesan cheese
- Salt and pepper to taste
- Fresh basil leaves for garnish

Preparing the Lobster

Before you can create the ravioli, you need to prepare the lobster. Here's how you can do it:

1. Cook the Lobster:

- Bring a large pot of salted water to a boil.
- Add the lobster and cook for about 8-10 minutes, or until the shell turns bright red and the meat is opaque.
- Remove the lobster from the pot and let it cool slightly.

2. Extracting the Meat:

- Once the lobster is cool enough to handle, crack the shell using a lobster cracker or a heavy knife.
- Carefully remove the meat from the claws and tail, discarding the shell.
- Chop the lobster meat into small pieces and set aside.

Making the Pasta Dough

Creating fresh pasta dough is a fundamental step in making ravioli. Follow these instructions:

1. Mix the Ingredients:

- On a clean surface or in a large bowl, form a mound with the flour and create a well in the center.
- Add the eggs, olive oil, and salt into the well.
- Using a fork, gradually incorporate the flour into the wet ingredients until a rough dough forms.

2. Knead the Dough:

- Transfer the dough onto a lightly floured surface.
- Knead the dough for about 10 minutes until it becomes smooth and elastic.
- Wrap the dough in plastic wrap and let it rest for at least 30 minutes at room temperature.

Preparing the Filling

While the dough rests, you can prepare the lobster filling:

1. Mix the Lobster Ingredients:

- In a mixing bowl, combine the chopped lobster meat, ricotta cheese, chives, parsley, lemon zest, salt, and pepper.
- Gently mix until all ingredients are well combined. Be careful not to overmix, as you want to maintain some texture in the filling.

Rolling Out the Pasta

Once the dough has rested, it's time to roll it out:

1. Divide the Dough:

- Cut the dough into four equal pieces. Keep the pieces you are not using covered to prevent them from drying out.

2. Roll the Dough:

- Flatten one piece of dough slightly with your hands, then pass it through a pasta machine on the widest setting.
- Gradually reduce the thickness setting, rolling the dough through each setting until it reaches your desired thinness (usually setting 3 or 4 is ideal).

3. Cut the Pasta Sheets:

- Once you have rolled out the dough into thin sheets, lay them flat on a lightly floured surface.

Assembling the Ravioli

With the pasta sheets ready and the filling prepared, it's time to assemble the ravioli:

1. Form the Ravioli:

- Place a tablespoon of lobster filling about 1 inch apart along one sheet of pasta.
- Brush the edges around the filling with a little water to help seal the ravioli.
- Carefully fold the pasta sheet over the filling to create a pocket.
- Press down around each mound of filling to eliminate air pockets and ensure a good seal.
- Cut the ravioli using a pastry cutter or knife to separate them and create a decorative edge.

2. Repeat:

- Repeat the rolling and filling process with the remaining dough and filling.

Cooking the Ravioli

Once your ravioli are assembled, it's time to cook them:

1. Boil Water:

- Bring a large pot of salted water to a gentle boil.

2. Cook the Ravioli:

- Carefully drop the ravioli into the boiling water, ensuring they don't stick together.
- Cook for about 4-5 minutes or until the ravioli float to the surface and are cooked through.

3. Drain:

- Use a slotted spoon to gently remove the ravioli from the pot and set them aside on a plate.

Preparing the Sauce

While the ravioli cooks, you can prepare the sauce:

1. Melt the Butter:

- In a large skillet over medium heat, melt the butter. Add the minced garlic and sauté until fragrant, about 1 minute.

2. Add Cream and Cheese:

- Pour in the heavy cream and bring to a simmer.
- Stir in the grated Parmesan cheese, adding salt and pepper to taste.
- Cook until the sauce thickens slightly, about 3-4 minutes.

Serving the Dish

Once the ravioli and sauce are ready, it's time to plate the dish:

1. Combine Ravioli and Sauce:

- Gently toss the cooked ravioli in the sauce to coat them evenly.

2. Plate the Ravioli:

- Using a slotted spoon, transfer the ravioli onto serving plates.
- Drizzle with additional sauce if desired and garnish with fresh basil leaves.

3. Final Touches:

- Serve immediately with extra grated Parmesan cheese on the side.
