Understanding the Song's Structure

The song "I Can Love You Like That" was made famous by John Michael Montgomery and later covered by various artists. Understanding its structure is crucial for effectively playing the chords. The song follows a standard verse-chorus format, which is common in many country and pop songs. Each verse tells a story, gradually building up to an emotional chorus that encapsulates the song's message.

The overall structure can be broken down as follows:

1. Verse 1
2. Chorus
3. Verse 2
4. Chorus
5. Bridge
6. Chorus
