**I survived the sinking of the Titanic** is a phrase that resonates with many people, evoking a mix of tragedy, heroism, and survival against the odds. The sinking of the RMS Titanic on April 15, 1912, remains one of the most infamous maritime disasters in history. This article delves into the harrowing experiences of those who survived that fateful night, exploring their stories, the lessons learned, and the lasting impact of this disaster on maritime safety.

## **The Titanic: A Brief Overview**

The RMS Titanic was a British passenger liner that was deemed "unsinkable" due to its advanced safety features. Built by Harland and Wolff in Belfast for the White Star Line, the Titanic was launched on May 31, 1911, and embarked on its maiden voyage from Southampton to New York City on April 10, 1912. The ship was a marvel of engineering, boasting luxurious amenities that attracted the wealthiest passengers of the time.

## **The Ill-Fated Voyage**

On the night of April 14, 1912, the Titanic was sailing through icy waters in the North Atlantic when it struck an iceberg at approximately 11:40 PM. Within just a few hours, the ship would be at the bottom of the ocean, claiming the lives of more than 1,500 people.

## **Survivor Accounts**

The stories of those who survived the sinking of the Titanic are as varied as the individuals themselves. Here are some notable accounts:

- **Molly Brown:** Known as "The Unsinkable Molly Brown," she was a prominent American socialite who took charge during the evacuation, urging others to board lifeboats and helping to save lives.
