This quick start guide will help you navigate the essential features and functionalities of your JBL Charge 5, ensuring you get the most out of your speaker right from the start.

Unboxing Your JBL Charge 5

When you first receive your JBL Charge 5, you'll want to take a moment to carefully unbox it and check for all included items. The package typically includes:

- JBL Charge 5 speaker
- USB-C charging cable
- Quick start guide
- Safety sheet
- Warranty card

Make sure everything is in order and familiarize yourself with the speaker's components.

Charging Your JBL Charge 5

Before you start using your JBL Charge 5, it's important to charge it fully. Here's how to do it:

Step-by-Step Charging Instructions

1. **Locate the USB-C Port:** On the back of the JBL Charge 5, you'll find a USB-C port protected by a rubber cover.
2. **Connect the Charging Cable:** Plug one end of the USB-C cable into the port on the JBL Charge 5 and the other end into a power source (like a wall adapter or a computer).
3. **Check Charging Indicator:** The LED light on the speaker will indicate the charging status. A blinking light means it's charging, while a solid light indicates it's fully charged.

Charging Time and Battery Life

- **Charging Time:** The JBL Charge 5 typically takes about 2-3 hours to fully charge.
- **Battery Life:** Once fully charged, the Charge 5 offers up to 20 hours of playback time, depending on the volume level and usage.

Connecting to Your Device

One of the standout features of the JBL Charge 5 is its Bluetooth connectivity. Here's how to connect your speaker to your smartphone or tablet.

Pairing Your Speaker

1. **Power On the Speaker:** Press the power button on the JBL Charge 5. You'll hear a sound indicating that the speaker is on.
2. **Enable Bluetooth:** On your device (smartphone or tablet), go to the Bluetooth settings and ensure Bluetooth is turned on.
3. **Select JBL Charge 5:** In the list of available devices, find and select "JBL Charge 5." You may hear

a sound from the speaker confirming the connection.

4. Successful Connection: Once connected, the LED indicator on the speaker will stop blinking.

Troubleshooting Bluetooth Connection Issues

If you encounter any issues while connecting, try the following steps:

- Ensure that the JBL Charge 5 is within range (approximately 33 feet).
- Restart both the speaker and your device.
- Forget the JBL Charge 5 from your device's Bluetooth settings and try reconnecting.

Using the JBL Charge 5

Once you are connected, it's time to explore the features of your JBL Charge 5.
